

CCS SPORTS BOOSTER CLUB
Monthly Meeting – **Minutes**
Monday, February 23, 2026, 6:00PM
CCS High School Conference Room

- Welcome, call to order - 6:02PM Josh Wagner, Alicia Chase, Julie Pasek, Mike Croft via email
- Treasurer's Report – see folder for info
- CCS Athletic Director Report
 - Presentation: Performance Athletics, Alexis Davis – March 11th is the first session
 - 19 of 21 coaches expected to participate
- New Business:
 - Funding requests
 - Reimbursement for John Hodgdon who did a Team Building end of year “party” for the Girls Varsity Swim Team. Clark Gym charged \$125 for use of the space. John would like to do this twice a year, once for Girls and once for Boys. He found it valuable since most of the season it is an individual sport. **VOTE YES TO REIMBURSE, would like to discuss further to see if this is something we will continue to do ongoing (Greg, Mike and Jen voted via email. Julie voted in person. All in favor, none opposed)**
 - Matt Hulbert has requested to purchase a training bat. The bat is designed to allow players to hear and feel their swing. The bat is specially designed to improve bat speed, swing mechanics and hand - eye coordination in one swing. (Cost is not to exceed \$545, appears shipping is free at this time)
 - Standard Bat is 32” shaft for \$495
 - Extreme Impact is 33” and offers adjustable resistance for \$545**VOTE YES, Alicia to purchase and get it to Matt (Greg, Mike and Jen voted via email. Julie voted in person. All in favor, none opposed)**

- Share with your friends, family, community, sport parents....
 - Two positions available:
 - Secretary - takes minutes at each meeting and records email discussion and votes as needed. Estimated commitment less than 2 hours per month plus the board meeting
 - Concession Coordinator - notify Alicia when supplies need to be replenished and enters dates for concessions into signup.com according to home games from schedule galaxy, verifies weekly as dates sometimes change. Ensures that we have volunteers and pushes requests for participation. Estimated commitment 4 hours per month plus the board meeting, however this position would be best filled by Co-Coordinators which would cut the time commitment in half and they could attend opposite meetings if necessary.
- Dinner discussion
 - \$738 was our gross profit for the dinner.
 - Cost of the cafeteria staff – Josh to ask why the Booster Club is paying \$35 per hour for staff. Had the school paid it is unlikely that the staff would not have been \$35 per hour. They do not make \$35 per hour and they are not OT. \$175 for R. Heller and \$227.50 for T. Fritts
 - Cafeteria staff R. Heller did help with cooking however, staff T. Fritts just told us what we needed to do but didn't offer to help or assist.
- Adjournment 6:20PM
