- Football
 - Currently 4-4 with one regular season left on Saturday, October 25th at home vs. NY Mills. If they win this game, they will move on to the play offs
 - Indoor Concessions
 - o LTA will be doing concessions for all Girls Varsity Basketball Games
 - o Boosters will be doing concessions for all Boys Varsity Basketball Games

We are also able to do concessions for Varsity Volleyball and Wrestling

 - Thoughts?

Alicia did discuss with Josh, the thought is not to open for Wrestling and to only open for the Volleyball game against Mt. Markham as that tends to draw quite the crowd. Its known as our “biggest rival”
 - Group thought that we should try to open for Volleyball and to see how it goes. Alicia will add to the sign ups - o Sign ups will be up by November 7th
- Funding Requests
 - o (After Meeting Vote by Email) for \$250 towards a tournament for Wrestling. They will be donating the money back to the Booster Club once the season opens.
- Golf Tournament
 - o Recap-
 - The morning was cold and damp but not terrible. Afternoon poured but all but one team showed up and participated. There were three teams that DNF but still had a good time.
 - Team of our own student athlete, Brayden Sentz took 2nd place and won the “Special Ball” contest
 - Jeff at the course is very accommodating and extremely helpful!
 - Thank you to Mike for coming early and putting out the hole signs and to Greg and Jen for coming to keep me company and get breakfast and lunch set up and cleaned up
