- Treasurer's report:
 - statements and summary attached,
- AD update – Josh unavailable for tonight's meeting
- Requests for Funding
 - Voted on between meetings:
 - Approved via email vote – packed lunches for Varsity Volleyball sectional game 2/11/25. Cost was \$148.77 from HS cafeteria. Discussion that in the future we need to develop a policy for when & how we provide meals for post season travel. Would likely only need to provide for semifinals and finals, which tend to be quite far away. Likely look to local businesses to assist/sponsor.
 - Approved via email vote – LTA funding for Leadership Training Conference \$360 for 16 Junior student athletes to attend the event March 6.
 - Previously tabled requests
 - A portable pitching mound for Baseball. Discussed previously. Cost \$2199. Motion to approve: Jen, 2nd: Helen, approved by unanimous vote
 - Training sessions for Varsity Softball & Baseball at Accelerate Sports. Cost \$1400. After group discussion, this funding request was declined: too limited in availability and access.
 - Current Request
 - Portable throwing circle for Track and Field throwers. Can be used indoors & outdoors. Can also be used by PE teachers for track & field units if pit too wet to use. Motion to approve: Alicia, 2nd: Helen, Abstention: Mike, approved by unanimous vote.
