  - Wrestling team does a fundraiser every year and those costs help purchase team t-shirts and other gear, dinner for sectionals, states, etc. The new fundraiser done this year was a success however, this company will only release the funds to a booster club account.
  - Approval in 2019 to offer separate savings accounts for teams was approved but no team has ever take Boosters up on that. This will be the first team.
  - Mike and Julie to connect to get these funds released and set aside for the wrestling team.

- Swim Team Funding request - Held an end of season (Girls Varsity Swim) this past fall at Clark Gym.

  - Cost was \$125
  - The coach paid the cost for the team and is asking for a refund. He would like to make this an annual event.
